sales@guniwheel.com

COLLISION SHOPS - Free up work bays when wheels are missing or out for repair.

RESTORATION & CUSTOM BUILDERS - Use as rollers to keep vehicles safely mounted to the wheel hub and fully mobile.

TOWING & RECOVERY - Use on flatbeds for stolen wheels or flat jobs.

WHEEL REPAIR PROVIDERS - Eliminate vehicle damage caused by unstable or poorly positioned jack stands. Keeps cars mobile during repairs.

STORAGE - Eliminate flat spots and dry rot for trailers, campers, and stored vehicles.

- Patented universal lug/bolt pattern wheel
- Compact design solid steel wheel - 24"D x 3"W
- Airless polyurethane rubber exterior
- No adapters - mount with OEM bolts & lug nuts
- GUNIWHEEL™ 45 fits most cars & light SUV's
- GUNIWHEEL™ 56 fits most trucks & big SUV's
- GUNIWHEEL™ 80 fits 8 lug heavy duty trucks
